

Empowered Jefferson

MISSION STATEMENT

Empowered Jefferson's mission is to bring transparency and awareness of local state and federal issues that affect the citizens of Jefferson County.

Empower citizens so they can make informed decisions that will make a positive impact in our community and for our children, grandchildren, and generations to come.

To stop ideologies that are against the Constitution of the United States of America and to support the standard moral values of our community.

To provide vetting of new people to run for office and offer community support to empower candidates.

To put a halt to the control and indoctrination of our children by the local government by educating citizens concerning the use of present-day educational standards, curriculum and online services designed to indoctrinate our children.

VISION

What will things look like when we've achieved our goals?

- Jefferson County Schools will be rich in ethical and moral standards for which our country was founded on as seen by our founding fathers.
- Only academic instruction will be provided in our public schools to bring rise to a strong, well-educated generation that deeply understands what it takes to protect our constitutional republic.
- Jefferson County and its schools will put citizens first and will not tolerate bureaucratic abuse, will strive to bring transparency to government activities, & hold elected representatives accountable.

GOALS/OBJECTIVES/STRATEGIES TO COMPLETE OUR MISSION
