Dr. Arnold

I have requested information from the Jefferson County School System concerning Allied Behavioral Health Solutions which I have summarized on the attached formal records request form. In previous emails, I have been denied that information that I believe I am entitled to under Tennessee's Open Records Law, TCA 10-7-503. In one case I was referred to Allied for certain information.

Allied has no requirement under state law to provide me with anything; but the school system does. That is why my request for information is addressed to the school system.

If I am incorrect about the applicability of the open records law to my request, or the requested information fits any one of the 538 statutory exceptions to Tennessee's open records law, please advise me. Otherwise, I would expect to be provided the information that I have requested.
